3. A space has been included in the form of proxy to allow shareholders to specify the number of shares in respect of which that proxy is appointed. Shareholders who return the form of proxy duly executed but leave this space blank will be deemed to have appointed the proxy in respect of all of their shares. Shareholders who wish to appoint more than one proxy in respect of their shareholding should contact the Company's Registrars, Computershare Investor Services (Jersey) Limited on their Helpline number: +44(0) 370 707 4040 for additional forms of proxy, or you may photocopy the form of proxy provided with this document indicating on each copy the name of the proxy you wish to appoint and the number of ordinary shares in the Company in respect of which the proxy is appointed. All forms of proxy should be returned together in the same envelope.

4. As an alternative to completing and returning the printed form of proxy, you may submit your proxy electronically by accessing www.investorcentre.co.uk/eproxy. For security purposes, you will be asked to enter the control number, your shareholder reference number (SRN) and personal identification number (PIN) to validate the submission of your proxy online. The control number and members' individual SRN and PIN numbers are shown on the printed form of proxy. For further information, see the instructions printed on the form of proxy.

5. CREST members who wish to appoint a proxy or proxies by utilising the CREST electronic proxy appointment service may do so for the Meeting by utilising the procedures described in the CREST Manual. CREST personal members or other CREST sponsored members who have appointed a voting service provider, should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

6. To appoint one or more proxies or to give an instruction to a proxy (whether previously appointed or otherwise) via the CREST system, CREST messages must be received by the issuer's agent (ID number 3RA50) not later than 48 hours before the time appointed for holding the meeting. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp generated by the CREST system) from which the issuer's agent is able to retrieve the message. The Company may treat as invalid a proxy appointment sent by CREST in the circumstances set out in Regulation 18(4)(a) of the Uncertificated Securities Regulations 2006 (Isle of Man).

7. In the case of joint holders, any one holder may vote. If more than one holder is present at the meeting, only the vote of the senior will be accepted, seniority being determined in the order in which the names appear on the register of shareholders of the Company.

Corporate Representatives

8. Corporate shareholders may appoint corporate representatives to attend, speak and vote on their behalf at the Annual General Meeting. Where a person is authorised to represent a corporate shareholder at the meeting any Director or the Secretary may require him to produce a certified copy of the resolution from which he derives his authority.

12. Any shareholder attending the meeting has the right to ask questions. EXPLANATORY NOTES ON RESOLUTIONS

Report and Accounts (Resolution 1)

The first item of business is the receipt by shareholders of the audited accounts for the financial year ended 31 December 2017 together with the Directors' Report and the Auditors' Reports (together the "Annual Report").

Directors' Remuneration Report (Resolution 2)

Shareholders are invited to approve the Directors' Remuneration Report for the year ended 31 December 2017, which is included in the Annual Report (on pages 26 to 32) and provides details of the remuneration policy for the Directors and senior executives for the year under review. The vote on this resolution is advisory and no Director's remuneration is conditional upon the passing of this resolution.

Election of Viacheslav Nekrasov (Resolution 3)

On 21 May 2018 the Board of Directors received a letter of resignation from Dmitry Margelov. Mr. Margelov's resignation as Director, effective from 31 May 2018, was acknowledged by the Board and approved on 23 May 2018. The appointment of Viacheslav Nekrasov as a new Director of the Company effective from 31 May 2018 was approved by the Board on 23 May 2018. In accordance with Article 88 of the Articles, Viacheslav Nekrasov shall only hold office until the dissolution of the Annual General Meeting and shall then be eligible for re-election.

Biography of Viacheslav Nekrasov:

Mr. Nekrasov has more than 20 years of experience in corporate finance and investment. Before joining Exillon Energy Plc as CEO he served as Project Finance Director of JSC Kompleksnye Investitsii and was responsible for organising and managing debt and project finance transactions in the oil & gas and real estate sectors. Prior to this, Mr. Nekrasov held the following positions: CEO of Agency Plus LLC, Head of Investment Development Projects of ESN Group, Deputy CEO of FinanceConsult.

Mr. Nekrasov has a degree in Economics and Company Management from the Higher School of Economics, National Research University.

Re-election of Other Directors (Resolutions 4 to 7)

In accordance with the Articles, all of the other Directors offer themselves for re-election at the Annual General Meeting. Following re-election, Non-Executive Directors are subject to review by the Nomination Committee (or at any time when that committee is not formed, the Board) and it is the current policy of the Board that Non-Executive Directors serve up to a maximum of nine years. Each Non-Executive Director has given an assurance to the Board that he/she remains committed to his/her role as a Non-Executive Director and will ensure that he/she devotes sufficient time to his/her duties, including attendance at Board and committee meetings. The Board has determined that Alexander Markovtsev, Roman Kudryashov and Natalia Shternberg are independent.

Biographies of all the Directors (other than Viachelsav Nekrasov) are set out on page 16 of the Directors' Report in the Annual Report.

Re-appointment of Auditors (Resolution 8)

The Company is required, at each general meeting at which accounts are presented, to appoint auditors to hold office until the conclusion of the next such meeting. Ernst & Young LLP have indicated their willingness to be re-appointed at the 2018 AGM.

The Board recommends the re-appointment of Ernst & Young LLP as auditors to hold office until the conclusion of the next annual general meeting of the Company.

Remuneration of Auditors (Resolution 9)

This resolution seeks shareholders' consent for the Board of Directors to set the remuneration of the Auditor.

Directors' Authority to allot shares (Resolution 10)

Under Article 4.1 of the Articles, the Directors may only allot unissued shares (or grant rights over shares) if authorised to do so by shareholders. Resolution 10 renews the Directors' authority to issue relevant securities up to a nominal value not exceeding US\$201.8886388, representing 16,151,091 ordinary shares, being 10% of the issued ordinary share capital as at 29 May 2018. The authority will remain valid until the conclusion of the annual general meeting in 2019.

Disapplication of pre-emption rights (Resolution 11)

If the Directors wish to exercise the authority under Resolution 10 and allot unissued shares for cash, the Articles require that they can only do so if shareholders have given specific authority for the waiver of statutory pre-emption rights which provide that new shares must first be offered to existing shareholders in proportion to their existing shareholdings.

In certain circumstances, it may be in the best interests of the Company to allot new shares (or to grant rights over shares) for cash without first offering them to existing shareholders.

Resolution 11 grants the Directors' authority to allot shares for cash, without first offering them to existing shareholders on a pro-rata basis, until the conclusion of the Annual General Meeting in 2019. The authority sought is limited to an allotment of equity securities for cash for a nominal value of up to US\$201.8886388, representing 10 per cent of the issued ordinary share capital as at 29 May 2018.

Resolution 11 disapplies the pre-emption rights above the authority level of 5 per cent that is typically sought as an approval from the shareholders on an annual basis. The directors consider that a 10 per cent headroom would ensure that the Company is in a position to take advantage of a wide variety of financing options, should the need to do so arise.

Authority to purchase own shares (Resolution 12)

The effect of this resolution is to grant authority to the Company to purchase its own ordinary shares, up to a maximum of 16,151,091 ordinary shares until the next Annual General Meeting or 30 June 2019, whichever is earlier. This represents 10 per cent of the current ordinary shares of the Company in issue and the Company's exercise of this authority is subject to the stated upper and lower limits on the price payable.

The Directors have no present intention for the Company to purchase its own shares but are keeping the matter under active review. If it were considered appropriate to do so, the authority will only be used after careful consideration, taking into account market conditions prevailing at the time, other investment opportunities, appropriate gearing levels, any regulatory constraints and the overall financial position of the Company. Any shares so purchased will be cancelled by the Company.

As at 29 May 2018, being the last practicable date before publication of this Notice, there were no options or warrants outstanding to subscribe for shares in the Company.

Notice of General Meetings (Resolution 13)

The Company's Articles stipulate that the notice period required for general meetings is 21 days' notice unless shareholders approve a shorter notice period, which cannot however be less than 14 days. The Directors would like the flexibility afforded by this resolution and will use the authority where the Directors consider this to be appropriate in relation to the business to be conducted at the meeting and in the interests of the Company and shareholders as a whole. The approval will be effective until the Company's next annual general meeting, when it is intended that a similar resolution will be proposed. The Company will also need to meet the requirement in the Articles to provide electronic voting for shareholders in order to be able to call a general meeting on less than 21 days' notice.
